Subject: Microsoft Settlement

Dear DOJ,

I am writing this as a citizen concerned with the economy of this country. Please settle the antitrust suit as quickly as possible and let Microsoft get back to doing the business that they do best.

Also, any attouney generals that want to drag this out any longer should be reminded to listen to the people of their states. I am ashamed that Wisconsin attouney general Doyle let his greed get in the way of common sense.

Sincerely,

Lawrence M. Kolden
